Eyo, whattup?
Just got a new ride, it's pretty sweet!
Hella expensive an' sporty, though.

Haha! Naw, girl, you caught me. You know that ain't my style!
Yeah, I'm just renting it ironically so I can shove it in Jay's stupid face later.

Huh? Yeeahh, we broke up.
Guy loved his car more than he loved me.
Spent loads on a new paint job and straight up refused to get me a birthday present.

So you know what I did?
I got the newest model he's been eyeing. In his favorite color, too!

Haha, right? His engine's total crap compared to this one! He'll be so pissed!
Totally worth the $200 in rental fees.

Oh dang, there he is!
